

### *PRIVACY POLICY*

Before you can enter into an agreement with ViZa Travel, it is necessary for us to collect following information: name, email and phone number. We conduct the registration of your personal data in order to deliver the booked service. The data will be registered and kept by ViZa Travel. Only employees at ViZa Travel will have the access to the information that is registered. The information handed to ViZa Travel will not be forwarded nor sold to a third person and we do not register any personal information. You have the right to know which information ViZa Travel keeps and you have the right for objection. These right are according to the Danish act on Privacy. Any request upon this question have to be directed to ViZa Travel.
